To Whom It May Concern:

It is my great pleasure to write this letter of recommendation for Ms. McKenna Schaller. McKenna completed an internship at Landmark Visibility Solutions during the summer of 2016 while attending McHenry County College. I was pleased with her level of talent, her diligent efforts, and her willingness to work on any project. I expect her to have a bright future in the field of graphic design and marketing.

As the owner of Landmark Visibility Solutions Inc., I have gotten to know Ms. Schaller quite well. In her role, she had a considerable amount of responsibilities, which she handled effortlessly. During her time with Landmark she excelled in the field of graphic design, art direction, brand identity, and online marketing strategy. She worked intimately with some of the largest companies in the Chicago area and exhibited the skills necessary to handle such accounts.

McKenna is a hard-working self-starter who invariably understands exactly what a project is all about from the outset, and how to get it done quickly and effectively. She responds well to constructive criticism or feedback and is eager to be challenged. During the time of her internship I have seen a passion for design and willingness to always go the extra mile to complete the task at hand.

The best interns are ones that genuinely love to learn. The kind of person who pushes themselves everyday to learn more and be better, while enjoying every minute; McKenna Schaller is that kind of individual. She is an intelligent, capable, dedicated, and personable young woman. I feel confident in saying that she is capable of handling any situation with thoughtfulness and maturity. I firmly believe Ms. Schaller will make a fine addition and asset to your team. Should you have any questions, please feel free to contact me.

Sincerely,

Ashton Prager
